BABULAL NAGARMAL SATNALIKA FOUNDATION

Promoting Education

Dear **Friend**,

Babulal Nagarmal Satnalika Foundation is a Non Governmental, Non Profit Organization which aims promoting education among the underprivileged students of the society.

The foundation works for children welfare by providing them monthly scholarship (monetary assistance) so that they are not deprived of the best and the most important requirement of today's world i.e., the EDUCATION.

About the Foundation:

The foundation was started on October 9, 2011 with mere contribution of Rs. 300 per month for a child. Recently we have decided to take it large by providing assistance to many students as per their requirements and eligibility.

The said foundation got its name in the loving memory of my father, Late Babulal Nagarmal Satnalika who was a business man in the small town of Raniganj. It was his dream to promote education among every section of the society!

What you can do for us:

You can sponsor one or more child with mere Rs. 3600 for a year which will be used for the benefit of the needy students so that they are not deprived of any facilities required in the field of education today.

Yours Sincerely

Debi Prasad Satnalika

Founder

Education is not preparation for life; education is life itself
